Complete set of dies for hose sizes 6, 8, 10, 12 and reduced barrier 6, 8, 10, and 12.

## ELECTRONIC SCALES

**DESCRIPTION**

**DTAC NO.**

An economical alternative to old fashioned charging cylinders. Built with portability and durability in mind. The unique Slimline design makes this scale only 2" thick with a weight capacity of 75 pounds (34K) that will handle a wide range of both standard and recovery cylinders. It provides 1/2 ounce resolution and 2% accuracy.
